ABOUT US

Engineering High-Performance Clamping Solutions Since 1978

Founded in 1978, Invicta Clamps is one of India's leading manufacturers of exhaust clamps, air tank clamps, V-band clamps, and custom clamping solutions. We design and manufacture precision-engineered products that meet the demanding requirements of the automotive, commercial vehicle, industrial, agricultural, marine, and heavy equipment sectors.

From our integrated manufacturing facilities in India, we supply OEMs, Tier-1 suppliers, distributors, and aftermarket customers across more than 40 countries, delivering consistent quality, competitive pricing, and dependable global supply.

Why Choose Invicta

✓ Engineering Support

✓ OEM Manufacturing

✓ Global Export

✓ Competitive Pricing

✓ Fast Sampling

✓ Quality Control

✓ Custom Products

✓ Reliable Delivery

Testing and Quality Inspection

 **Established Manufacturing Excellence**

Automated Machinery

Automated Clamp Manufacturing Machinery

Our advanced automated machinery ensures precise and efficient production of clamps with consistent quality and high productivity. Equipped with modern control systems, it minimizes manual intervention, reduces production time, and maintains tight dimensional accuracy. The automated process enables reliable performance, low defect rates, and cost-effective manufacturing for large-volume requirements.

Distribution & Global Reach Supply chain, logistics, and export markets.

Reliable Supply Chain & Global Delivery

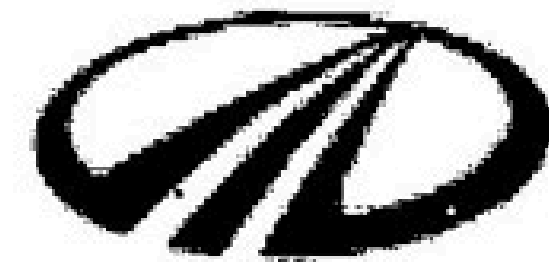

Invicta Clamps serves customers across domestic and international markets through a robust supply chain and efficient logistics network. Our streamlined procurement, production, and distribution processes ensure timely deliveries while maintaining the highest standards of quality and reliability.

Key Highlights

- Exporting to customers across Europe, North America, the Middle East, Asia, and other global markets
- Strategic partnerships with freight forwarders and logistics providers
- Flexible shipping options including EXW, FOB, CIF, and DDP terms
- Efficient inventory management and production planning
- Support for OEM, aftermarket, and industrial customers
- Customized packaging solutions for domestic and export shipments
- Reliable lead times and responsive customer support
- 25+ Countries Served*
- 500+ Customers Worldwide*
- Sea, Air & Road Freight Solutions
- Export-Focused Documentation & Compliance Support
